

## MGB-OAGB INTERNATIONAL CLUB CONGRESS V ANNUAL CONSENSUS CONFERENCE-2018

### PRELIMINARY PROGRAM

**Dear Friends and Colleagues,**

The excellent balance between safety and effectiveness has led to an exponential increase in the performance of the Mini-gastric Bypass (MGB) and One-Anastomosis Gastric Bypass (OAGB) across the globe. Standardization and unanimity in perioperative care and appropriate follow-up are in order. We hereby invite you to attend the V Annual MGB-OAGB Consensus Conference to be held June 28<sup>th</sup> - 29<sup>th</sup>, 2018, in Valladolid, Spain.

The Conference will provide a wide variety of sessions and activities designed to meet the highest possible standards of education and training for our surgeons and allied health personnel with the overall goal of improving the safety and wellbeing of our bariatric/metabolic patients. This educational offering will focus on several topics of interest which will include:
